

# Province of Ontario Overview of Second Dose Booking Eligibility

June 18, 2021

(Plan is based on confirmed vaccine supply and does not include June Moderna shipments:  
with additional vaccine supply timelines may be advanced to allow more accelerated second doses)

\*Possible example only, an individual will only be able to accelerate their second dose if the first dose was received in the specified timeframe.

**Note:** Dates provided are for when the group is eligible to book a second dose. The new dose interval could be as short as 28 days, where local appointments and supply are available. Timing of second dose appointments may vary based on local considerations, vaccine supply and the date of an individual's first dose appointment. Throughout the second dose rollout, the Ministry will continue to take into consideration historical as well as current COVID hotspot regions across Ontario.
