

## COVID-19 Vaccine Clinic for Children aged 5 to 11 years at the KFL&A Public Health Office in Napanee

In an effort to make your visit to the COVID-19 vaccine clinic at KFL&A Public Health's Office in Napanee a successful, smooth experience, we have prepared this instruction sheet for you. The first page gives you information about screening to enter the building and a checklist of things to remember. The second page provides directions and parking information.

### Screening

Please click on the link below and complete the pre-screening form on the day of your appointment, before you arrive for your appointment.

[kflaph.net/screening](https://kflaph.net/screening)

### Checklist

Below is a checklist that supports the information included in the Ministry of Health factsheet you received, which explains what you need to know before your appointment.

#### What to bring:

- Health card or other government-issued ID (if available)
- Face mask
- If a child 5 to 11 years of age and attends a clinic with anyone other than their parent or legal guardian, a **consent form** must be provided at the appointment.
- Parents and caregivers are encouraged to bring a small toy, book, music, or handheld screen to help distract and comfort the child during the appointment.

#### What to do:

- Clinic space is limited. Children aged 5 to 11 years must be accompanied by one adult only.
- Wear a short-sleeved t-shirt.
- Do not arrive more than 10 minutes before your appointment.
- Clean your hands when you enter the building.
- Practice physical distancing.
- While waiting in line to register for your appointment, please take off your coat and get your ID ready.

# How to get to KFL&A Public Health's Office in Napanee:

There is free parking at **KFL&A Public Health's Napnee Office**, which is located at 99 Advance Ave., south of the 401, using exit 579.
