KFL&A Public
Health:
613-549-7738

Report any hospitalizations or deaths to KFL&A Public Health immediately at 613-549-1232.

A case is defined as any child or staff with at least one of the following, within a 24-hour period:

- two or more episodes of **unexplained** loose or watery bowel movements, or
- one episode of **unexplained** loose or watery bowel movements and one episode of vomiting, or
- two or more episodes of vomiting.

Unexplained: rule out new medications, use of laxatives, new diet, etc. as reasons for the loose or watery bowel movements.

Complete Respiratory Outbreak Line Listing if respiratory symptoms present.
